Pergola Beams Gray 12.5" Hexagon Matte Gray Porcelain Tile

The Pergola Beams Gray 12.5" Hexagon Matte Porcelain Tile accents its gray concrete-look base with a sand-colored wood-look fan pattern. This mixed-media concept results in eye-catching contrast and multiple pattern possibilities. Experiment with the orientation of these hexagons and mix and match with other Pergola tones and patterns, to give your installation a custom touch. The Pergola collection draws material inspiration from midcentury design with combinations of wood and cement looks rendered in porcelain. These 12.5-inch hexagons are available in four neutral tones, each in three styles ranging from minimalist to decorative: a solid cement look, a cement ...
